

NEWS & EVENTS

FROM PATTY'S PEN

As our study of the book of Ruth nears its end, I am so excited about what God has in store for us! Allow me to introduce our next study, "Lipstick: Applying the Wisdom of Proverbs to Our Lips and Our Lives." Beginning October 16th, we will explore the riches of Proverbs relating to speaking. We'll learn how to color our speech with His grace and to apply His wisdom to our words. And don't worry, we won't 'gloss' over a thing (yep, I just had to go there!). We will take our time studying the vibrant hues of the Word of God,

As women, we love to talk! Two men could get in a truck and drive across the state of Texas together without saying two words to each other, but not us girls! God placed in us a need to communicate, to share our hearts, but He also called us to a high and holy standard of speaking. As I've prepared this study, I've often been convicted of my own sin in this area, but I've also celebrated how good God is to give us the amazing guidance of Scripture. I look forward to studying alongside each of you, as we seek to allow God's wisdom to *stick* to our lips and to our lives!

FINAL WEEK OF RUTH STUDY THIS SUNDAY!

Join us this Sunday, October 9th, as we wrap up our study of Ruth's amazing love story, and see how her romance led to the most Sacred Romance in all of history...God's pursuit of us! See you in Bible Study!

"Pleasant words are a honeycomb, sweet to the soul and healing to the bones."
— Proverbs 16:24

Our class exists to glorify God by genuinely sharing His grace, and strengthening our sisters through the power of His Word.

**SNEAK PEEK INTO
“LIPSTICK,” OUR NEW STUDY
ON PROVERBS!**

The story goes that a woman got on a bus, and the driver said, “That’s an ugly baby you have.” The woman was just speechless, and in shock, she moved on to her seat near the middle of the bus. Tears welled up in her eyes and a kindly lady near her said, “Honey, what’s wrong?”

“The bus driver offended me,” she sobbed, “and I don’t know what to do.”

“I’ll tell you what to do,” the other lady responded in a huffy tone. “You march right back up there and give that driver a piece of your mind. That’s what you do. Here, you go on up there now. I’ll hold your monkey for you.”

I hope you got a little chuckle out of that, but I’ve played all three roles in this story...the insensitive driver, the hurt mother, and the ignorant passenger. Can you relate? Our words have power and we must choose them wisely...
